Easy access to local, regional and national news

Designed specifically for libraries in Wales, *Access Wales & U.K. Newspapers* features popular titles from within Wales providing in-depth coverage of local and regional issues and events. Well-known titles from England, Scotland, Northern Ireland are also included, further expanding the scope of this robust research tool.

Welsh News

This collection of more than 20 Welsh newspapers offers users both daily and weekly titles of interest including the North Wales edition of the *Daily Post*, the *Western Mail* and *The South Wales Evening Post*. These news articles provide detailed coverage of businesses, government, sports, politics, the arts, culture, finance, health, science, education and more – from large and small cities, alike. Daily updates keep users informed of the latest developments from the assembly government, farming news, rugby and cricket events and much more. Retrospective articles — ideal for comparing today's issues and events with past news — are included, as well.

U.K. News

This group of over 350 newspapers provides in-depth coverage of issues and events within the U.K. and Ireland. Major national broadsides and tabloids are complemented by a list of popular daily and weekly newspapers including *The Times* (1985 forward), *Financial Times*, *Economist*, *The Guardian*, and *The Scotsman*. This robust collection keeps readers and researchers abreast of local and national news, as well as developments in nearby countries that impact life in Wales.

Powerful search options

Updated daily, *Access Wales & U.K. Newspapers* provides millions of current and archived newspaper articles that researchers can use to pinpoint sources, compare perspectives and track subjects historically and geographically. Users can quickly and easily search either a single Welsh newspaper or Welsh and U.K. titles simultaneously. Customised searches can be created and saved for future use or configured for email alerts.
